

FAQ Donating Comics and Funko Pops

Thank you for considering donating your comics and pops for the kids in hospitals and cancer centers as well as for the Troops. Hopefully this FAQ addresses all your questions but if not, we will be glad to clarify any and all questions that you have!

1) **Can I donate my comics?**

A) Of course!! We have to request that the comics are or look just about new. Hospitals have infectious disease control policies. As such hospitals want comic books that have been taken care of and if they are not new, look almost new. While this is not as stringent for the military, the comics should be in the same condition.
